I will always be an uphill battle

Is having me as a life companion a prudent decision, Creator?

Yes, I'm positive as a proton.

Those were questions I asked myself before choosing art as my career. None frightened me as much as the thought of being caged behind a desk, minutes feel like hours, condemned to a job i despise for the rest of my long life.

i'll take the risks

Oh you Krey Krey~
Nothing worth having is easy to get~
I will ~~spam~~ draw until the humans L-word* me.
I'll die starving by my pen until the world knows your name, ya feel?

*L-word = love
